ABOUT US

Taking strength from the meeting of wood with 27 years of industrial production experience Decormet Wood and Industrial Products Ltd. Sti. which started with 2500 m², continues its production activities in a closed area of 5600 m².

Decormet brand kitchen furniture is offered to customers in every region of Turkey, especially in the Marmara Region, both in elite construction projects and as the preference of individual customers.

Decormet Kitchen is taking steps forward in line with targets with an increasing momentum in the modular kitchen sector by continuing its investments in technology and qualified human power without sacrificing production quality.
